Boardman Law Firm, LLP

Receive Certification Credits

This program has been approved for 1.5 recertification credit hours toward PHR, SPHR and GPHR recertification through the HR Certification Institute.

Have you given your employees the HIPAA privacy training that is required if they work with your employer-sponsored health plans?

Seminar Topics

- What employer plans are subject to HIPAA
- What is PHI and e-PHI
- When health information can be used or disclosed
- What documentation is needed to comply with HIPAA
- Plan participants' rights under HIPAA
- How to administer electronic information security requirements
- What obligations employer plans have regarding insurers or third party administrators (Business Associates)
- New law changes

Agenda

7:30 am - 8:00 am
Registration & Complimentary Continental Breakfast
